Hi Ed and Kimberly. Hope you are both doing well. Deb Szaro, our Acting Regional Administrator has a meeting with NE state commissioners regarding CLF/PEER's letter on PFAS in pesticides. She has asked me for background information, history and results re: OCSPP's efforts to date. Do you have a summary brief that you could provide? I reached out to Cary Giguere who provided the latest draft of their response to CLF/PEER. I have attached it for your info. I know you have been assisting them-thanks for doing that. Let me know if you have any questions or want to discuss.

Hope you had a great vacation Ed.  
Nancy
